

## Call for Participants

### DEMOCRACY AND GAMES

7<sup>th</sup>, 8<sup>th</sup>, & 11<sup>th</sup> June 2021 (online activity)

**Demokrative** is happy to invite you to take part in an activity on learning about, for, and through democracy with games. The activity is funded by the Erasmus+ Strategic Partnership Youth in Action program and will take place online in three afternoon sessions on June 7<sup>th</sup>, 8<sup>th</sup> and 11<sup>th</sup>.

In this activity, participants will approach the topic of democracy in a participative and engaging manner through analog and digital game-based learning techniques. Several game-based learning tools will be presented with the main purpose to engage, connect and empower young people. The main purpose of the event is that participants will be able to play test custom-built game prototypes on different topics of democracy. In addition, participants will be able to take part in the further development of several democratically-themed board game prototypes themselves.

The activity builds on the project “Democracy and Games: Analog and Digital Game-Based-Learning Tools for Youth Work” (DEMOGAMES), which is generating educational tools, methods and materials for democracy education in non-formal youth work. The project is based on the didactic, educational approach of game-based learning and applies it to teaching young citizens about democracy. *Demokrative* is one of six partner organizations of DEMOGAMES.
